PETITION TO CORRECT INVENTORSHIP

Pursuant to 37 C.F.R § 1.48(a)(i), Applicant respectfully requests to add an inventor in the above-reference pending nonprovisional application.

Please add Mary Lynne Pribil to the list of named inventors.

REMARKS

In filing the nonprovisional application, Ms. Pribil's name was omitted through error without any deceptive intention on the part of the omitted inventor. The error was identified as a result of preparing a response to an Examiner's Action issued August 2, 2001.

As required by 37 C.F.R. § 1.48(a)(2), a statement from Ms. Pribil stating that she is an inventor and that the error omitting her as an inventor occurred without deceptive intent is provided in support of this Petition.

As required by 37 C.F.R. § 1.48(a)(3), a supplemental declaration by the actual inventors is provided in support of this petition.

As required by 37 C.F.R. § 1.48(a)(5), the written consent of the assignee of this Application is provided in support of this petition.

As required by 37 C.F.R. § 1.48(a)(4), the Commissioner is hereby authorized to charge the petition fee of \$130.00 under 35 U.S.C. § 1.17(h) and any other amount required or credit any overpayment to Deposit Account No. 05-0765 of Electronic Data Systems Corporation.

Respectfully submitted,

ASSIGNMENT

WHEREAS, I, one of the undersigned joint inventors, of residence as listed, having invented certain new and useful improvements as below entitled, for which application for United States Letters Patent is made, said application having been executed on the date set forth below; and

WHEREAS, Electronic Data Systems Corporation (hereinafter referred to as "Assignee"), a Delaware corporation, with an address of 5400 Legacy Drive, H3-3A-05, Plano, Texas 75024, desires to acquire our entire right, title and interest in and to the invention, and in and to the said application and any Letters Patent that may issue thereon;

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we assign to Assignee all right, title and interest in and to said invention and in and to said application and all patents which may be granted therefor, and all divisions, reissues, continuations, continuations-in-part and extensions thereof; and we hereby authorize and request the Commissioner of Patents and Trademarks to issue all patents for said invention, or patents resulting therefrom, insofar as our interest is concerned, to Assignee.

We also assign to Assignee, all right, title and interest to the invention disclosed in said application throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said invention in its own name throughout the world, including all rights to publish cautionary notices reserving ownership of said invention and all rights to register said invention in appropriate registries; and we further agree to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such right, title and interest in Assignee.

We will communicate to Assignee any facts known to us respecting any improvements; and, at the expense of Assignee, we will testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and substitute applications, make lawful oaths and declarations, and generally do everything possible to vest title in Assignee and to aid Assignee to obtain and enforce proper protection for said invention in all countries.

This Assignment shall be binding on the parties' successors, assigns and legal representatives.

Dear Sir:

CONSENT OF ASSIGNEE TO ADD INVENTOR

Electronic Data Systems Corporation, certifies that it is the assignee of the entire 100% percent interest in the above-identified patent application as evidenced by an assignment of the parent application (U.S. Serial No. 09/378,514, filed on August 20, 1999) by the inventors (Conrad B. Myrick, et al.) to Electronic Data Systems Corporation recorded on October 15, 1999 and shown in the Assignment Records of the United States Patent and Trademark Office at Reel 01031, Frames 0883-0885.

2

A copy of the above referenced assignment in the chain of title is attached herewith.

The undersigned has reviewed all the documents in the chain of title of the patent application identified above and, to the best of undersigned's knowledge and belief, title is in the assignee identified above.

The undersigned (whose title is supplied below) is empowered to sign this certificate on behalf of the assignee.

Assignee hereby consents to the addition of Mary Lynne Pribil as an inventor of the above-identified Application.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punished by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
